It is the policy of the Butler County Board of Commissioners that all County-sponsored public meetings are accessible to people with disabilities. If you need assistance in participating in this meeting or event due to a disability, please call 513.887.3247 at least 48 hours before the scheduled meeting or event to request an accommodation.

It is the intent and goal of the Butler County Board of Commissioners to make all reasonable modifications to policies and programs to ensure that individuals with disabilities have an equal opportunity to enjoy all its services, programs, and activities which would not fundamentally alter the nature of that service, program, or activity or would not cause undue financial and administrative burdens.
